Based on that text today, I'm going to send the boys 10k apiece as a pat on the back for a job well done. I'm going to send it out of my own pocket but am going to tell them it's from our "sponsor"(you). You might have to loan me money for vodka though!!;)

Just wanted to pass on the text I just got, "Anthony, as you can see from the recent news, your efforts and op execution paid off high order. Getting number 1 was a direct result of your commitment. Pass that on to our new friend as well. -CB"
